

## Cable Protector Mat

### For the Workplace or Home

The Cable Protector Mat is low profile and made from recycled rubber, it is designed for areas where there are electrical and computer cables over walk ways, the cable protector is suitable for areas with rough surfaces and entrances that require to be covered for safe walking, very easy to install simply lay over problem area. Protection for customers and staff against trips and falls.

### No More Ugly Dangerous Tapes or Exposed Electrical Cables!

The Cable Protector mats are light and easy to handle, come with anti trip edges and yellow safety stripes, the size of the Cable Protector Mat is 1200mm x 700mm x 12mm or we can custom make the size you require to accommodate your area.

**\*Factories \*Homes \*Stores \*Shops \*Work Stations \*Schools  
\*Anywhere that Electrical or Computer Cables need to be covered**
