

Recycled Rubber – Play Animals

Repeat Crocodiles and Lizards

Our Play Animals are recycled from tyres and molded into these unique designs, they are the center of attraction, they add atmosphere to the area, they're very durable and can be used in a number of ways, they're great for our children's motor skills, Obstacle courses or just simply use them as a resting spot. All of our animals & play equipment come in a variety of colors. They can also be painted with our Cool Color Paint.
