

REPEAT RUBBER

rubberise...

You've seen it at your local fast-food playground...

You've felt how soft, safe and durable it is...

Now it's available for **YOUR HOME!**

...plus many more uses!

No-hassle, no mess, great result

A licensed Rubberise expert trowels the material down for you in **just one day**—and you can walk on it the next!

The flowing rubber creates a **beautiful all-in-one** finish as it smoothes to your edges. It's simple and attractive!

USE

rubberise

The #1 rubber surface

EVERYWHERE!

Choose the colour or colour combination that's right for **YOUR HOME!**

Cushioning, anti-slip, attractive outdoor solution.
Made from recycled tyres.

Rubberise can easily be installed over any surface including bare earth, timber or concrete.

Call your Rubberise expert about **YOUR** individual home requirements—and ask for an **OBLIGATION-FREE QUOTE!**
